

## Summer English Program with eHealth Focus

### About McMaster University

Founded in 1887, at McMaster, our purpose is the discovery, communication and preservation of knowledge. In our teaching, research and scholarship, we are committed to creativity, innovation and excellence.

- One of only four Canadian universities ranked among the top 100 in the world (Academic Ranking of World Universities, August 2014, and Times Higher Education World University Rankings, October 2014).
- A medical-doctoral, research-intensive university dedicated to teaching, research and service.
- The McMaster Model, a student-centered, problem-based, interdisciplinary approach to learning that has been adopted worldwide.
- Home of two Nobel prize-winners: McMaster Professor Bertram Brockhouse (Physics in 1994), McMaster graduate Myron Scholes (Economics, 1997)
- Top rated programs in **Health Sciences, Engineering, Science, Social Sciences, Humanities and Business**

**Michael G. DeGroote School of Medicine** is known worldwide for its innovative method of small group, problem-based education, with a focus on self-directed, life-long learning, which is pivotal from the day students enter our schools and throughout their professional careers.

### Introduction to Intensive English Program with e-Health Focus

This program is designed to provide participants with a strong foundation of English language skills for the health sector as well as advanced academic study through an introduction to approaches to e-Health. The introduction to e-Health will include discussion of Health Research Methods, Health Policy, Health Economics, Public & Population Health, Health Informatics, Health Technology Assessment and Health Data Mining.

#### Program Features

- Highly qualified and experienced instructors
- Access to university facilities and services
- Welcome / Farewell ceremonies
- Certificate of Graduation

#### Program Dates and Fees:

July 17 - August 14, 2016

\$4000.00

**fees include:** tuition, accommodation, meals, airport pick-up and drop-off, access to university facilities and university health insurance
