

JOINT RESEARCH TRAINING PROGRAM

This UNMC-CSC program not only aims to recruit bright and hardworking young scientists from top Chinese universities and institutions to UNMC but to also provide excellent training to Chinese students, scientists, physicians, nurses and other professionals under the guidance of outstanding research scientists and clinical faculty members at UNMC.

http://www.unmc.edu/aprdp/joint_training.htm

Ph.D. candidates who have completed required coursework in China will train and spend 1 to 2 years performing research projects supported by a principal investigator at UNMC, then return to their Chinese university for their thesis defense and degree award.

Since 2007, more than 15 students have been recruited into the Joint Research Training Program at UNMC!

Areas of Research Emphasis

<http://www.unmc.edu/research/areas-emphasis>

Alcohol and smoking-related disease
Biotechnology
Cancer
Cardiovascular disease
Drug development and nanomedicine
Genetics
Infectious diseases
Musculoskeletal disease
Neuroscience
Rural and other health disparities
Transplantation

Financial Support

\$24,000 annually (\$2,000 monthly)

- CSC: \$1,600 monthly, plus round-trip airfare
- UNMC: \$400 monthly, plus tuition waiver, health insurance, and low-cost temporary housing in the APRDP Friendship House or International House

Joint Research Training Program Application

http://www.unmc.edu/aprdp/joint_training.htm

- SPECIAL DEADLINE FOR UNMC-CSC APPLICANTS: January 20, 2015
- Send an email to cscscholarship@unmc.edu to indicate interest in applying.
- Search our website for an investigator (PI) who matches your research interests:
 - o Applicant may also visit <http://www.unmc.edu/aprdp/pi.htm>, which is a list that features PIs who have specifically expressed interest in working with Chinese CSC scholarship recipients
 - o Applicant must initiate contact with the PI
- Requirements:
 - o Three letters of recommendation, including one from current advisor
 - o Official, original transcripts in English (also known as 'certified marksheets')
 - o Official degree statement (to be submitted after degree is awarded)
 - o Narrative of goals
- Optional:
 - o Official GRE/TOEFL test scores sent to UNMC from ETS (code 6896)
 - o Official IELTS scores accepted in lieu of TOEFL scores
- Applicant will apply for CSC funding after conditional offer letter is received from UNMC
